PROFILE

Creative and dedicated Website Developer with expertise in WordPress and custom web solutions. Skilled in building responsive, user-friendly, and performance-driven websites for e-commerce, restaurants, and media platforms. Passionate about blending design with functionality, I focus on delivering tailored solutions that empower businesses, strengthen brand presence, and drive measurable growth through digital experiences.

WORK EXPERIENCE

99 CREATIVES 2025 - PRESENT
Website Developer

- Design and develop dynamic WordPress websites that align with client goals and company standards. Customize themes, plugins, and features to deliver responsive, SEO-friendly solutions. Maintain and optimize websites for speed, security, and usability while continuously improving user experience

BD CALLING IT 2024 - 2025
Intern Web Developer

- Contributed to the development of responsive and functional websites using WordPress and modern web technologies. Assisted in coding, debugging, and customizing themes and plugins to meet project requirements. Collaborated with senior developers on client-based projects, ensuring quality, performance, and usability.

Custom Plugin

- Build and maintain custom WordPress plugins using PHP, JavaScript, and REST API integrations to extend website functionality. Develop Gutenberg block plugins with React to enhance the block editor, ensuring flexibility and performance. Optimize code for scalability, speed, and security while following WordPress coding standards.

EDUCATION

Computer Science and Engineering 2024
Bsc in CSE | Word University Bangladesh
